Le Rendezvous Raises \$1250.00 for Snowy Hydro SouthCare Rescue Helicopter Service

The Le Rendezvous 45th birthday celebration raised \$1250 for the Snowy Hydro SouthCare rescue helicopter service.

Guests enjoyed a seven course meal complete with award winning wines with one lucky diner winning a scenic flight on The Snowy Hydro SouthCare rescue helicopter.

"This was an evening filled with great food and atmosphere celebrating 45 years of Le Rendezvous as well as raising awareness and much needed funds for the ACT and South Eastern NSW regions only rescue helicopter" says CEO Steve Gregory. "We look forward to continuing the relationship with Le Rendezvous into the future with other fundraising events".

"We thank host Michael Giugni and Chef Brad Walter and their team for providing a memorable evening and supporting us in our efforts to assist members of our community in their time of need." Mr. Gregory added.

"We are thankful for the generous amount of money raised, we rely on local and regional businesses as well as the public for donations and it shows just how simple it can be to help us to continue to stay in the air saving lives" says Mr. Gregory.

Le Rendezvous donated \$1250 to Snowy Hydro SouthCare which will go towards saving lives in our local as well as our regional communities.

"We wanted to align with a charity and decided that "you never know when you need a lift". My daughter works for emergency services and we have supported Snowy Hydro SouthCare in a small way. We now decided it was time to give more back to the community that has helped us create a successful business. We aim to hold annual fundraisers for Snowy Hydro SouthCare and look forward to making a greater contribution" says owner Michael Giugni.
