Charity Golf Day with a lucky Las Vegas twist

Mark your diaries! – The Snowy Hydro SouthCare Annual Charity Golf Day - **Thursday 3rd December, 2009**, Federal Golf Course, Red Hill, Canberra, from 7:30am (with all proceeds from the day going towards keeping the Snowy Hydro SouthCare Rescue helicopter in the air saving lives).

A golf day with a lucky twist – its 4 ball Ambrose **LAS VEGAS**. Las Vegas is a variation of a regular 4 ball Ambrose that involves the use of a 6-sided die.

Here's how it works: Before play begins, assign a number from one to four to each member of your 4-person team. At each tee, all four members tee off, then the 6-sided die is thrown or rolled. Check the number that comes up on the die. If it is a 1, 2, 3 or 4, then the drive of the team member whose number matches must be used on that hole. If the die comes up 5 or 6, then the team can choose the best drive among the four. Whether the die chooses your drive for you (rolling 1 through 4), or allows the team to choose the next drive (rolling 5 or 6), the hole is then played out as a normal 4 ball Ambrose.

The day will be complete opulence with players able to “purchase” the delights of sushi bars, oyster shuckers, coffee and gelato stands, massage therapists, “Pro shot” Tee offs and much more! Complimentary Breakfast and an Awards Lunch will start and complete the day.

Silent auction prizes to be bid on include a limited edition (one of only ten) signed Michael Jackson ‘King of Pop’ Thriller album and for the rugby fans ‘The Golden Decade’ Wallabies limited edition memorabilia piece with no less than 7 champion signatures including Lynagh, Campese, Gregan, Larkham, Eales, Mortlock and Harrison. Stay tuned for more exciting items to be announced during November including a \$50,000 hole in one prize.

“Our aim is to make this the best and most memorable golf day on the Canberra Corporate Golf day circuit. It’s not just a golf day; it’s an experience with all proceeds helping us keep our local rescue helicopter in the air saving lives” Said CEO Steve Gregory. He adds “we are on track with the support of some sensational sponsors including Kowalski Recruitment, Capital chemist Group and the Efkarpidis Foundation.

Players can register as a team or single player and help us to raise money for this essential aero-medical and rescue helicopter service.
