## **Santa Claus is coming to town... On the Snowy Hydro SouthCare Helicopter!**

Saturday the 5<sup>th</sup> December will see the Snowy Hydro SouthCare helicopter deliver Santa to the Jerrabomberra Carols by Candlelight.

This popular event will commence from 4pm with amusement rides, food and drink stalls and local music and school groups providing entertainment throughout the evening, highlighted by Santa's arrival in the Snowy Hydro SouthCare Helicopter at about 6.30 pm and the grand finale of fireworks at 9pm.

Earlier this week, Snowy Hydro SouthCare launched their Christmas Appeal for 2009 with Santa's help at the helicopter base in Symonston. Statistics show that missions performed by the helicopter service spike over the Christmas period every year. The Snowy Hydro SouthCare Christmas Appeal is focused on receiving increased donations during this period so that the best present that you could receive this Christmas is the life of a loved one.

You can help support Snowy Hydro SouthCare, at the Jerrabomberra Carols by Candlelight on Saturday by coming along and making a gold coin donation to the Snowy Hydro SouthCare volunteers while inspecting the impressive Bell 412 helicopter. Snowy Hydro SouthCare is the primary aero-medical and rescue service for the ACT & SE NSW region, performing over one mission every day and your change could change someone else's life.

\*Flight is subject to operational requirements.
