## **Snowy Hydro SouthCare Launches Partnership Program**

On Monday, 24 November, Snowy Hydro SouthCare will formally launch its new partnership program, aimed at providing corporate sponsors with reciprocal partnership benefits throughout the year. The program has many opportunities available for businesses throughout the region to support the Snowy Hydro SouthCare Helicopter Service through financial or in-kind support. Through the program, the Service's Corporate Partners receive benefits and an association with the Service that can help them to boost their business in the region.

The launch function will be held at 5:15pm at Duntroon House at the Royal Military College of Australia and hosted by the Service's Special Ambassador and Australia's Chief of Defence, Air Chief Marshal Angus Houston.

The function will also recognise and celebrate the current Corporate Partners of Snowy Hydro SouthCare, including Snowy Hydro Limited, Capitol Chilled Foods, SERVICE ONE Members Banking, John James Memorial Foundation, Capital Chemist, Yellow Pages, WIN Television, CFMEU, Mix 106.3, Alacrity Technologies, CRE8IVE, KAZ Group, RSM Bird Cameron and David Epstein. Air Chief Marshall Angus Houston will present each partner organisation with a special gift in recognition of their support of Snowy Hydro SouthCare and their service to the community in the presence of local business and community leaders from the region.
